

For Your Health

**Dr. Anna Barbieri, MD**, is an Assistant Professor in the Department of Obstetrics, Gynecology, and Reproductive Sciences at the Mount Sinai Medical Center in New York City. A board-certified obstetrician and gynecologist, Dr. Barbieri's practice focuses on care of women from adolescence to menopause and beyond, including preventive care, management of gynecologic problems, gyn surgery, as well as care of both low-risk and complicated pregnancies. A recipient of several teaching awards, Dr. Barbieri is also dedicated to medical student and resident education and has been actively involved in improving the education of future physicians in her field.

Dr. Barbieri has been a full time faculty member of the Department of Obstetrics and Gynecology at Mount Sinai Medical Center since 2003. She completed her residency training in obstetrics and gynecology at Mount Sinai in 2003. Dr. Barbieri received her medical degree from Upstate Medical College in Syracuse, New York, in 1999, and her undergraduate degree from Colgate University in 1995.
